Random House Audio. No binding. Condition: New. 10 pages. Dimensions: 5.7in. x 4.9in. x 2.0in. Read by the author. Nine CDs, 10 hours. Just in time for the 2000 Olympics—the bestselling author of *A Walk in the Woods* takes listeners on a truly outrageous tour Down Under. Compared to his Australian excursions, Bill Bryson had it easy on the Appalachian Trail. Nonetheless, Bryson has on several occasions embarked on seemingly endless flights bound for a land where Little Debbies are scarce but insects are abundant (up to 220,000 species of them), not to mention crocodiles. Taking listeners on a rollicking ride far beyond packaged-tour routes, *IN A SUNBURNED COUNTRY* introduces a place where interesting things happen all the time. Leaving no Vegemite unsavored, listeners will accompany Bryson as he dodges jellyfish while learning to surf at Bondi Beach, discovers a fish that can climb trees, dehydrates in deserts where temperatures leap to 140 degrees F, and tells the true story of the rejected Danish architect who designed the Sydney Opera House. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Audio CD.
