GROW ME UP (PAPERBACK)

Trafford Publishing, Canada, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This current book is a collection of 10 hilarious, extremely short stories happening in several countries around the world. All of these are true stories which had happened either to the author himself or to someone he knows. However the names and the personalities have been altered to make the characters totally unrecognizable, for obvious reasons. Though the stories are written in a tone that is often satirical the author confirms that it has been done just to identify the fun in it all. With a touch of the young author s imagination and his pathological sense of humour, this book will hit you at every line, tickling you till your last bone, only making you ask for more.
