But her Mafia family interfered with the fulfillment of their tormented relationship. Marco found solace in music. Marco and his friends saw hell in Vietnam. Some died. Felix Lopez fell in love with Thien Lan. The pullout of America from Vietnam devastated their lives. Felix fought many odds to be reunited with Lan. The Mafias secrecy ended with a flashy, new Godfather. Author Carl Turco has written a handful of books. This novel is his second published work. His first published book, Enterprise Architecture and Metadata Modeling, is an Information Technology treatise on how to best design Enterprise Data Models and Enterprise Data Bases. But Carl is more moved by Many Shades of Gray, because in his view, a description of innovative Technology does not compare in creativity to a reflection of the human heart, as related to the intense love and pain a human being can feel. In this novel, Carl brings value added with music and philosophy: enriching concepts to the human spirit! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
