Little, Brown Company, United States, 2014. Paperback. Book Condition: New. Reprint. 204 x 138 mm. Language: English . Brand New Book. Weintraub is a big-league storyteller . He loads the bases with the kind of entertaining anecdotes, minutiae, and quotes that separate baseball-and baseball writing-from other sports. -- USA Today In the spring of 1946, Americans were ready to heal. The war was finally over, and as America s fathers and brothers were coming home so too were baseball s greats. Ted Williams, Stan Musial, and Joe DiMaggio returned with bats blazing, making the season a true classic that ended in a thrilling seven-game World Series. America also witnessed the beginning of a new era in baseball- it was a year of attendance records, the first year Yankee Stadium held night games, the last year the Green Monster wasn t green, and Jackie Robinson s first year playing in the Brooklyn Dodgers system. THE VICTORY SEASON thrillingly recounts these years of baseball and war, including the little-known world series that servicemen played in a captured Hitler Youth stadium in the fall of 1945. Robert Weintraub s extensive research and vibrant storytelling enliven the legendary season that embodies what we now think of as the game s golden era.
