THE MEEK (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.the meek is an unfiltered look into a stream of consciousness that really runs more like a flash flood, deadly and muddy, out of nowhere and following a storm. It explores the run down psyche of an unnamed narrator living and breathing in the darker side of rural Appalachia, where the hills don t run with milk and honey. Included in this book, are excerpts from the writer s two other Appalachian based bodies of work: The Honeybee Project, an ongoing collection of literary portraits, and Shine, an upcoming novel in the Appalachian gothic genre that tells the story of a young woman crumbling under the weight of her family s misfortune as she explores the dark underbelly of her small town.
