After frequenting the Florida Keys for decades and bringing them to life in many of his novels, author Tom Winton has now written about his deep love affair with that magical string of islands. But **TRIPPING ON COCONUTS** is not all sunny memories, calm seas, and smooth sailing. It s also chock full of the author s zany adventures and mishaps--two of which are kindle-clutching life-and-death situations. With his trademark cinematic writing style, Winton, a longtime Florida resident, will make you feel like you re actually right there beside him during his escapades and exploits. You ll envision every quirk at his funky ten-minute Key West wedding. You ll feel like you, too, are risking your life during a daring rescue attempt in dangerous windblown seas. You ll feel a shotgun being waved at you in the dark of night and learn life lessons in bars from Key Largo all the down way to Key West. But that s just the beginning. So slap on some suntan oil, mix a margarita, and come **TRIPPING ON COCONUTS** to a fascinating place where memories are made.
