Cornerstone. Paperback. Book Condition: new. BRAND NEW, Ripley's Believe it or Not! Oceans and Extreme Earth, This fantastic two-in-one book reveals the Earth as you've never seen it before. The pages of the Earth volume take you everywhere, from the tops of the highest mountains to the depths of the fieriest volcanoes, explaining how they were formed and revealing fascinating facts about them. Did you know, for example, that a single lightning bolt which struck Utah in 1918 killed 504 sheep? The volume on Oceans introduces you to the ever-changing realm of the sea, uncovering the strange creatures that lurk there, from blobfish to the terrifying beaked sea snake. And it reveals the truth about the mysterious legends of the sea - stories of monsters, mermaids (there's even a photograph of one!) and strange disappearances. Informative, off-beat and fun, this lavishly illustrated book cannot fail to inform and delight children of all ages.
