Brand New Book ***** Print on Demand *****.The Purpose Behind the Pain is the remarkable sequel of Henry s first compelling autobiographical narrative, Waiting On God . . . Fear Is Not an Option. Throughout his unforgettable journey in search of a cure for a rare medical condition and having to deal with the painful, frustrating, and embarrassing moments of this unexplainable disease, he found a way to overcome his battle and get past his fears. Oftentimes, when we are faced with difficult circumstances in our lives that we really don t know how to deal with, it can cause us to make poor choices. However, this young man realized that only one can heal him, who is God. He called on God for help, and he answered. Defining purpose and what it means for his life is what s most significant about this book. With the great support of his family, friends, and countless hours of prayer, he turned a horrifying experience into an amazing story.
