

Theories of Violent Conflict: An Introduction (Hardback)

Filesize: 4.36 MB

Reviews

A really wonderful ebook with perfect and lucid answers. It is rally interesting throgh looking at period of time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Gustave Moore)

THEORIES OF VIOLENT CONFLICT: AN INTRODUCTION (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2016. Hardback. Condition: New. 2nd Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This revised and updated second edition introduces students of violent conflict to a variety of prominent theoretical approaches, and examines the ontological stances and epistemological traditions underlying these approaches. Theories of Violent Conflict takes the centrality of the group as an actor in contemporary conflict as a point of departure, leaving us with three main questions: * What makes a group? * Why and how does a group resort to violence? * Why and how do or don t they stop? The book examines and compares the ways by which these questions are addressed from a number of perspectives: primordialism/constructivism, social identity theory, critical political economy, human needs theory, relative deprivation theory, collective action theory and rational choice theory. The final chapter aims to synthesize structure and agency-based theories by proposing a critical discourse analysis of violent conflict. With new material on violence, religion, extremism and military urbanism, this book will be essential reading for students of war and conflict studies, peace studies, conflict analysis and conflict resolution, and ethnic conflict, as well as security studies and IR in general.
