Baen Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Being an expert in information searches, image processing and enhancement, pattern matching, and data forensics earned Jason Wood a lot of money - from private contracts and working with the police. And it was a nice, comfortable job most of the time. But then an informant showed up dead on his doorstep, a photograph didn't show someone who'd been in the viewfinder when the picture was taken, and Jason's world is suddenly turned upside-down. Against things that violate the very reality he thought he understood, Jason has only three weapons: his best friend Sylvie, his talent for seeing patterns, and his ability to think beyond the pattern and see a solution that no one else imagined. Against the darkness of the unknown, the greatest weapon is the light of reason. A vastly expanded and revised edition of Digital Knight, Ryk E. Spoor's first published novel, Paradigms Lost adds two brand-new adventures for Jason and includes many chapters of additional material within the originals.
