

Stonewall: Breaking Out in the Fight for Gay Rights (Paperback)

Filesize: 1.68 MB

Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after I finished reading this publication through which basically modified me, alter the way I believe.

Penguin Putnam Inc, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The first history of gay rights for teen readers, written by award-winning nonfiction author Ann Bausum. That s the Stonewall. The Stonewall Inn. Pay attention. History walks through that door. In 1969 being gay in the United States was a criminal offense. It meant living a closeted life or surviving on the fringes of society. People went to jail, lost jobs, and were disowned by their families for being gay. Most doctors considered homosexuality a mental illness. There were few safe havens. The Stonewall Inn, a Mafia-run, filthy, overpriced bar in New York City s Greenwich Village, was one of them. Police raids on gay bars happened regularly in this era. But one hot June night, when cops pounded on the door of the Stonewall, almost nothing went as planned. Tensions were high. The crowd refused to go away. Anger and frustration boiled over. The raid became a riot. The riot became a catalyst. The catalyst triggered an explosive demand for gay rights. A riveting exploration of the Stonewall Riots and the national Gay Rights movement that followed is eye-opening, unflinching, and inspiring.
