Minneapolis Police Department Annual Report, 1954 (Classic Reprint) (Paperback)

By Minneapolis Police Department

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Minneapolis Police Department Annual Report, 1954 The Driver s License Spot Check program initiated in 1953 has been continued and expanded with gratifying results. There has been over 22/o decrease in the number of hit-run cases reported in 1954 compared to the 1953 statistics and a decrease of over 10/o in drunken driving. It is my opinion that these Spot Checks are also responsible for an increase of approximately in equipment violation citations in 1954 over the previous year. Radar speed control was initiated in Minneapolis in July 1954 and while an increase of nearly 10/o in speeding arrests is shown by the statistics for the whole year. Its main value has been in the reduction of speed of all vehicles since its inception. The total accident figure has been reduced by approximately 1000 or 10/o under 1953. Three Radar units are now in use by the Traffic Division. Traffic control in the loop area becomes more complicated and difficult every year. The natural result is slower movement of traffic and more frequent tie-ups especially during peak periods. This condition can...
