

The Helios Legacy (Paperback)

By Mike Macdee

Lulu.com, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It was supposed to be a simple escort mission. Two days on a train, trade the boy for a case of rations, then two days back home. Simple. But somehow nuclear winter has never been harder for Juno Radcliffe - ex-guerrilla and war hero, demoted to babysitter as she escorts a young boy across the wasteland. Stranded on the icy tundra and pursued by assassins, she has her work cut out for her; and at the end of the trail is a dreaded reunion with the lover she spurned years ago. The Helios Legacy is a dystopian sci-fi western set in the snowy wasteland of Midgard, where a one-eyed heroine embarks on a journey of sex, violence, and self-discovery that could cost her everything.

Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Valentin Hane MD

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Everett Stanton
