

News and Numbers 3e P

By Cohn

Ltd. John Wiley & Sons Sep 2011, 2011. Taschenbuch. Condition: Neu. Neuware - Numbers and statistical claims dominate today's news. Politics, budgets, crime analysis, medical issues, and sports reporting all demand numbers. Now in its third edition, News & Numbers focuses on how to evaluate statistical claims in science, health, medicine, and politics. It does so by helping readers answer three key questions about all scientific studies, polls, and other statistical claims: 'What can I believe?' 'What does it mean?' and 'How can I explain it to others?' Updated throughout, this long overdue third edition brings this classic text up-to-date with the 21st century with a complete updating of examples, case studies, and stories. The text emphasizes clear thinking and common sense approaches for understanding, analyzing and explaining statistics, and terms throughout the book are explained in easy-to-understand, nontechnical language. Much new material has been added to ensure the text maintains its pertinent approach to the subject, including: A section on computer modelling. Additional chapters on risks and missing numbers. Updated sections on health plans and insurance, including updates on President Obama's health system overhaul & new material on health care costs and quality. 198 pp. Englisch.

Reviews

This book may be worth buying. I have read and I am confident that I am going to plan to go through once more once again in the future. It's been written in an exceptionally easy way and it is simply soon after I finished reading this publication in which it actually altered me, modified the way I believe.

-- **Faye Shanahan**

This written ebook is fantastic. It is probably the most incredible ebook we have read. It's been written in an extremely basic way in fact it is just following I finished reading this publication where it basically modified me, affected the way I think.
