The second book in the Sheridan series Great multi-dimensional characters that are a feast to get your teeth in. Christoph Fischer, Author Well written and the characters come to life. Paul Kater, Author Now that Utopia is established Sheridan has a full time job as a diplomatist. Everyone wants to know how his country is protected and whether they can persuade him to part with his secrets, but he has other things on his mind. Has Utopia come at too high a price? When Anya left Utopia she expected to fit back into her old life, but too much has changed and God is not finished with her. Did she make the right choice in leaving and will Sheridan let her return, even if she wants to? The second book in the Sheridan series continues the journey Sheridan s Prophecy started, winding through the murky depths of political minds. A science fiction story where faith and technology come together to take the human race another step closer to the final showdown. A gritty account of power that shows both the best and the worst of humanity.
