Perhaps you are tired of the information they leave out? Stock market investing is a hot topic, with everyone believing they can make money in the market. It makes sense that you want a step by step plan on how to invest. But, you do need to start somewhere. This book is created for individuals who know little to nothing about the market and even how it works. Throughout these pages, are answers to questions you have had. The stock market can be a wondrous way to make extra income. Hundreds of thousands of people have been successful in investing in the market and making a profit. Their profits differ. Some individuals have become millionaires simply by trading in the stock market. Other individuals have taken their dream vacation, but nothing else remarkable has changed in their life. Others have lost horribly and hate the market. Your...
