

## New Media for Ministry

By Bryan Hudson

Vision Communications. Paperback. Condition: New. 122 pages. New Media for Ministry was written to educate, inform and inspire Christian leaders and workers on the practical uses of new media for ministry. This material is presented in a casual, personal style. Persons who want to gain fresh insight into new media, which represents a convergence of many forms of old and current media, will find many new vistas of understanding. Persons already engaged in various aspects of new media production will be inspired to explore new ways to use their talents and skills in support of the work of Gods church and the promotion of the gospel of Jesus Christ. As a handbook, this book is an aid to both ongoing and proposed new media related ministry projects. The Table of Contents contains specific headings that will allow you to go directly to topics of interest. A companion website, [www.newmediaforministry.com](http://www.newmediaforministry.com), offers ministry aids and Internet links to helpful information and tutorials. The website offers both practical, technical and emerging information on the ever-changing world of new media. New Media for Ministry is not an exhaustive do-it-yourself guide. This is a resource of practical understanding and best practices. As with...
