A town where legacies began centuries ago, bloodlines run deep, and dark secrets abound. A town where nobody is what you think, where truths pose as lies, and where myths blend with reality. A place where everyone has a story. This is only but one. Betrayed by love, Sherry Grimes flees the city, seeking solace in an unfamiliar place that calls to her from deep in the mountains. But her search for comfort goes awry when she s chased by a wolf through the forest, falls, and blacks out. Bradley Monahan wants Sherry back, and he would do anything to make that happen. Even fight the mysteries of a town that doesn t forgive transgressions. While love may heal old wounds, it s the fresh ones that Sherry must overcome to find her way back home. Wherever that may be. This is a New Adult paranormal romance in the Havenwood Falls series of New Adult and Adult fantasy novellas featuring a variety of supernatural creatures....
