Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Las Novelas ejemplares muestran el arte narrativo de Cervantes, en el que emplea varios registros y moldes: desde las novelas de accion como Las dos doncellas, El amante liberal y La senora Cornelia, hasta el penetrante estudio de las almas, pasando por las obras maestras de la narrativa menor cervantina: Rinconete y Cortadillo, El licenciado Vidriera y El coloquio de los perros, donde los hechos y el analisis de los caracteres sirven a Cervantes para convertirse en espectador de la vida social, en fiscal y critico de las costumbres. El denominador comun de todas ellas, pese a los momentos escabrosos de algunas, es la preocupacion etica cervantina, que se traduce en un idealismo moral centrado especialmente en la alabanza de la libertad y de la honra.
