

## Picturing the Apocalypse: The Book of Revelation in the Arts Over Two Millennia

Filesize: 4.5 MB

### **Reviews**

*It is great and fantastic. Better than ever, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.*

## PICTURING THE APOCALYPSE: THE BOOK OF REVELATION IN THE ARTS OVER TWO MILLENNIA

Oxford University Press. Hardback. Book Condition: new. BRAND NEW, Picturing the Apocalypse: The Book of Revelation in the Arts Over Two Millennia, Natasha O'Hear, Anthony O'Hear, The book of Revelation has been a source of continual fascination for nearly two thousand years. Concepts such as the Lamb of God, the Four Horsemen, the Seventh Seal, the Beasts and Antichrist, the Whore of Babylon, Armageddon, the Millennium, the Last Judgement, the New Jerusalem, and the ubiquitous angels of the Apocalypse have captured the popular imagination. One can hardly open a newspaper or click on a news site without reading about impending financial or climate-change Armageddon, while the concept of the Four Horsemen pervades popular music, gaming, and satire. Yet few people know much about either the basic meaning or original context of these concepts or the multiplicity of different ways in which they have been interpreted by visual artists in particular. The visual history of this most widely illustrated of all the biblical books deserves greater attention. This book fills these gaps in a striking and original way by means of ten concise thematic chapters which explain the origins of these concepts from the book of Revelation in an accessible way. These explanations are augmented and developed via a carefully selected sample of the ways in which the concepts have been treated by artists through the centuries. The 120 visual examples are drawn from a wide range of time periods and media including the ninth-century Trier Apocalypse, thirteenth-century Anglo-Norman Apocalypse Manuscripts such as the Lambeth and Trinity Apocalypses, the fourteenth-century Angers Apocalypse Tapestry, fifteenth-century Apocalypse altarpieces by Van Eyck and Memling, Durer and Cranach's sixteenth-century Apocalypse woodcuts, and more recently a range of works by William Blake, J.M.W. Turner, Max Beckmann, as well as film posters and film stills, cartoons, and...
