Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

(Mariela Stroman)

Continuum Publishing Corporation, United States, 2015. Hardback. Book Condition: New. 222 x 149 mm. Language: English . Brand New Book. Paul Reitter has won acclaim as both a scholar and a public critic for his writing on German Jewish culture in the twentieth century. Bambi s Jewish Roots brings together the best of Reitter s essayistic work, exploring the lives of well-known figures and revealing surprising new perspectives. These include how Felix Salten s Zionist commitments manifest themselves in his most famous work, the novel Bambi; what Gershom Scholem s diaries tell us about his development as a thinker and person; why German-Jewish writers hated Stefan Zweig so passionately; where myth-busting books about Franz Kafka have indulged in myth-building; how Freud s Moses and Monotheism offers a theory of Jewish self-hatred more than an explanation of anti-Semitism; and why Heinrich Heine felt aburning need to distance himself from his fellow liberal Jewish critic Ludwig Borne. The works collected here, many of which were originally published in forums such as the New York Review of Books, London Review of Books, the Times Literary Supplement, The Nation, Harper s Magazine, and the Jewish Review of Books, have earned Reitter his reputation as a witty, erudite, and deeply illuminating critic.
