Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book in paperback print is not in the categy of Philip Capoto s excellent Rumor of War, and it is not comparable to Tim O Brien s If I Die in a Combat Zone Box Me Up and Ship Me Home, and his The Things They Carried. The book is not near in the league with great historical writers of the period Stanley Karnow s Vietnam: A History, Cruel April by Oliver Todd nor Neil Sheen s Bright and Shining Lie or for that matter Frank Snep s superbly told final tragic days of a falling Saigon, Indecent Interval. I have certainly enjoyed reading and learning from these titians. But my tome does however have a small place in the gym lockers and in the beach bags of a few of the curious millions of soldiers and civilians who served in Vietnam while supporting the men who actually shed blood in the jungles for their country. Those that left prior to March 1973 derserve to know how events turned out from someone who was there with his family right up to those few days before the last American plane and helicopter took off. This story is of a family arrived ten years before South Vietnam s final days. It is about how we lived, worked, grew and survived in a country that was headed toward ingnominius defeat. I tell how we got there, the initial laborious effort by well meaning dedicated personnel to save a fledging third world kind of democracy from its suicidal course. The Tet Offensive, mini-Tet, and the collapse of the northern provinces of South Vietnam take up much of the story. I write of the...
