ASIATIC BREEZES is the fourth volume of the second series of the All-Over-the-World Library. Starting out from Alexandria, Egypt, after the adventures and explorations of the Guardian-Mother party in that interesting country, which included an excursion up the Nile to the First Cataract, the steamer sails out upon the Mediterranean, closely followed by her little consort. The enemy who had made a portion of the voyage exceedingly disagreeable to the watchful commander has been thwarted in all his schemes, and the threatened danger kept at a distance, even while those who are most deeply interested are unconscious of its existence.
