Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. \*Includes pictures \*Includes their own quotes about their lives and careers \*Includes online resources and a bibliography for further reading When it comes to the entertainment world and movie business, few names are as recognizable as Walt Disney, a versatile writer, producer, director, artist and voice actor who literally turned his name into a billion dollar business. Whether it was through the creation of iconic cartoons like Mickey Mouse or America s favorite theme parks, Disney and his assorted businesses have entertained countless numbers of people across the globe, particularly young kids. At a time when cinema was still a new and growing business, Disney staked out unique turf by bringing comics to life on screen, with his first big hit being Mickey Mouse. Of course, the popularity of Mickey Mouse helped spawn future creations like Donald Duck and Pluto, all household names that have long since become part of Americana and the English lexicon. Disney had already earned an Academy Award by 1932, but he was far from done, introducing viewers to new characters like Snow White and continuing to make popular cartoon series that played well on the big screen. By the late 1940s, Disney was turning his attention to a new form of entertainment: amusement parks. While other children s theme parks existed, none would rival the creation of Disneyland in the 1950s, part of Disney s grand vision: I just want it to look like nothing else in the world. And it should be surrounded by a train. Disney also branched out into other businesses, ensuring that by the 1960s, his name was on one of the biggest production companies in the world. When people discuss the...
