Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Lysias Epitaphios, Vol. 1: Introduction and Text Lysias is usually studied in the form of selections, in which, either as not being typical of its author or from suspicion having been cast on its authenticity, the Epitaphios is not included. But whatever conclusion critics may arrive at on this point, the speech is still worthy of being read both for its own sake and as a specimen of its class. The subject of funeral orations has been discussed in a general way by Villemain in his *Essai sur l'oraison funebre*, and in connexion with the funeral speech of Hyperides by Giraford in his *Elude: sur l'eloquence Attique*. The genuineness of the Epitaphios has been defended with much spirit by Le Beau in a little treatise entitled *Lysias Epitaphios*. The tendency of the most recent criticism is to reject it. I have reprinted the text of Gobet, but as Scheibe's authority is hardly less, I have noticed every important instance in which they differ. Lastly, I have to acknowledge the very kind advice which I have received in preparing this work from Mr. Evelyn Abbott. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work.
