# MEDICINAL PRINCIPLES: CHEMISTRY AND METHODS OF THEIR DETERMINATION

Ajaz Ahmed  
Medicinal principles:  
Chemistry and methods of  
their determination  
Approach to drug discovery

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Approach to drug discovery | Natural product chemistry continues to present opportunities for medicinal chemists to discover new bioactive compounds against various diseases. Even in cases where the structures are too complex to be obtained on a large scale from natural resources. My intention with this book to not only provide insights into the sources that may be used to discover new natural products based drugs but also to stress chemical methods...
