Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

Wordcrafter Communications, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Who are you, mom? What drives your life? Wife, parent, chauffeur, domestic engineer, coach. With all the hats you wear as a modern mother, it is no wonder your calendar dictates the shape of your days. But even as you enjoy the role of mommy, you re often not sure who you would be without that title and its roles. And that doubt grows as your children move toward greater independence. The good news is that you can take control back from the tyranny of the clock and regain your self-identity. It starts by exploring what resonates most deeply inside you and translating those desires to a concrete list of plans. Bucket List Living For Moms: Be a More Adventurous Parent! guides you through the process of designing, implementing, and celebrating a list of how you want to spend your life. It provides a quick, playful format for sorting out what excites you and where you want to invest your time now and in the years to come. This guide offers reassurance and help as you face the challenge of redefining yourself as a person and a mother. Women who read Bucket List Living For Moms will: Gain a greater appreciation for all they have already experienced. Understand better who they have become since children entered their life and who they want to be going forward. Enjoy more peace as they weave plans for their own unique list of what they most want to make happen in their lives into their calendars. Find inspiration motivation to set their bucket list adventures into motion. Learn how to prolong the good times with traditions and celebrations that suit them...
