Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A very rich Englishman has established a special and elite club in Saudi Arabia, Sir Arthur Shankley likes to be referred to as The Sheik and frequently appears in Arabic robes; particularly when he is entertaining the members of his club by showing off one of his female slaves being tormented to orgasm . or simply being sexually tortured. Angela is a single woman of twenty four, working in London as a financial assistant. She is a true blonde, tall and very well built - in fact busty. She attends a gym regularly and maintains her gymnastic skills. A flexible (in the Sheik s words) female as attractive and intelligent as Angela, is just what the Sheik is looking for now that the last woman who satisfied his requirements has died of a heart attack. A private detective Dunford is given the task of finding such a girl, which he does - Angela. She is captured, gagged, hobbled and dressed in an all-enveloping garb and shipped out on the Sheik s private plane to Saudi Arabia as one of his household and in a group of five or six similarly dressed Arabic women who are not gagged and gabble constantly. Sadly it is just four days before her wedding was to be celebrated. When she arrives Angela is immediately introduced to the women s special quarters where she is inspected intimately, informed of her duties and prepared for her first appearance before the Sheik and his guests. Iain Blackman is her employer and after a few months became her lover. After the abduction he confronts the private detective, learns what has happened to her and determines to rescue her.
