Brand New Book. Through the experiences of Astar Maharashim, PJ takes us on a journey of the Spirit/Soul incarnated in a physical body and living in an Earthly reality whose learning experiences awaken the Soul to the Truth of its existence. Astar s story is told in explicit experiences corresponding with the physical Being striving to become One with God, and to reach Christ Consciousness, while striving for Ascension. The path is long and painful at times, but sweet and beautiful at other times. It is a journey of remembrance, unification, transformation, and the return to the beginning. It is about coming full circle. This book is a must read for those who are asking the questions Who am I? Why am I here? and What is my purpose?, for those with strong religious beliefs to better understand that Jesus showed the pathway for redemption and ascension by demonstrating it for mankind in his own life, and for those who notice recurring situations in their lives, but don t understand why they are happening.
