

## How to Prepare for the GED Test (Mixed media product)

By Christopher Sharpe, Joseph Reddy

Barron's Educational Series Inc., U.S., United States, 2017. Mixed media product. Condition: New. 2nd Revised edition. Language: English . Brand New Book. First administered in 2014, the new GED exam is a computerized test that covers four main subjects: Reasoning Through Language Arts, Mathematical Reasoning, Social Studies, and Science. Each of these sections focuses on a wide array of review material using a variety of different question types that are specific to the GED test, including multiple-choice, fill-in-the-blank, short answer, drop down, drag and drop, hot spot, and extended response questions. The Barron's How to Prepare for the GED? Test book outlines the GED test in detail, describes strategies for success on test day, and provides extensive review coverage of all of these major content areas in a logical progression that allows readers to build on their skills as they go along. Each of the four major review sections provides a pretest that allows readers to assess their strengths and weaknesses followed by detailed lessons of every topic they need to know for that section. The review sections also include lists of essential vocabulary terms and formulas pages, where appropriate. All of the major subject reviews close with a review test for added practice....
