Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Description of Book My Little Inspirational Book is a compilation of poems and a short story I included because of my intense feelings on the subject matter. Most of the poems were inspired by memories from my childhood. The ideas for the book came out of a hidden place that has been with me for years. But, I only discovered it after the passing of my mother and praying to the Lord for guidance and purpose in my life. The object of the book is a look back in time when life was simpler and more manageable. There are writings in the book that may bring out a little laughter and there are some that will be thought provoking. I created the book size to make it easy to carry. It can be placed in a purse, a pocket or a folder. So it would be accessible to take out and read any time. This book is the winter volume and there are plans to bring out one book for each season.
