

Interesting Times: (Discworld Novel 17)

Filesize: 3.92 MB

Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

(Justice Wilderman)

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Interesting Times: (Discworld Novel 17), Terry Pratchett, 'A foot on the neck is nine points of the law'. There are many who say that the art of diplomacy is an intricate and complex dance. There are others who maintain that it's merely a matter of who carries the biggest stick. The oldest and most inscrutable (not to mention heavily fortified) empire on the Discworld is in turmoil, brought about by the revolutionary treatise What I did on My Holidays. Workers are uniting, with nothing to lose but their water buffaloes; warlords are struggling for power - and what the nation wants, to avoid terrible doom for everyone, is a wizard. Rincewind is not the Disc's premier wizard - in fact, he can't even spell 'wizard' - but no-one specified whether competence was an issue. And they do have a very big stick. Mighty Battles! Revolution! Death! War! (And his sons Terror and Panic and daughter Clancy).
