

Kelly s Universal First Reader (Paperback)

By Rev Henry a Brann

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the author s PREFACE. This book is intended for the use of children. In writing it, the author has aimed to ally two contending systems of teaching languages, one of which is known as the Natural or Conversational Method, the other as the Translation Method, with the regular teaching of grammar. It may be used as follows: - The first ten lessons are object lessons, the vocabularies of which contain only names of objects found under the eyes of children, in any schoolroom, or easily at hand. These vocabularies are generally divided into several parts, each of which contains words or model sentences, and corresponds to one of the exercises that follow. The teacher, taking each part of the vocabulary separately, and making or asking the children to make suitable movements, first speaks alone, then makes the children repeat, and writes on the blackboard what has just been said. Finally, when he has made everything in that part of the vocabulary clear for his pupils, he begins a conversation with them, and multiplies his questions until all have answered...
