Penguin Putnam Inc, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Look out for Julie s new book, The Stars in Our Eyes, publishing in July 2017. In her bestselling memoir You Had Me at Woof, Julie Klam shared the secrets of happiness she learned as an occasionally frazzled but always devoted owner of Boston terriers. Now, with the same enchanting humor and poignancy that won the hearts of readers across the country, she returns with real-life stories about how in rescuing troubled dogs we can end up saving ourselves. With wit and warmth, Julie Klam chronicles her adventures in finding a home for the world s sweetest pit bull, fostering a photogenic special-needs terrier, and diving under a train to save an injured stray in New Orleans. Along the way, she finds that helping dogs in their fight to survive puts our own problems in perspective, and shows that caring for others, be they canine or human, can sometimes be the best way to care for ourselves. A hilarious and moving testament to the powerful bond between people and dogs, this is a book for anyone whose life has been changed for the better by an animal.
