

Sathan Graymalkin the Witch's Cat: Poems for Halloween (Paperback)

By Damon Lord

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As Halloween approaches each year, let us wonder at the happenings in the witch's lair. What history tells us of the secrets of the witch may not always be useful, because unreliable accounts are abound of distressed women forced to confess under great duress from such savage, brutal figures as Matthew Hopkins, the Witchfinder General. It is to the familiars of the witches, or the magical animal companions as you might consider them, we must therefore turn to gain a glimpse of the mysterious ways. This short collection of 10 poems, then, is the rare opportunity for the familiars to speak for themselves and to share their secrets. Listen carefully, harken to their voices, for they do not speak often, but when they do, it is magical.
