Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Draw a line across the map of Belgium and you divide the kingdom into two regions, inhabited by Flemings and Walloons. Let the line pass from east and west through Brussels. North of this, as a rule, there are farms, gardens and sea coast. Here the people speak Old Dutch, or Flemish, and most of them are fishermen, farmers, seaport men and traders.
