

The Maddening Rain (Paperback)

By Nicholas Pierpan

Samuel French Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: N/A. Brand New Book. This title features 1 male and one simple setting. We re sixteen and Will writes this story about a medieval village that gets hit by a terrible storm. And the rain in that storm makes everyone go crazy. Everyone whose skin comes into contact with the rainwater goes insane, mental, like in a movie . An unnamed Man speaks to the audience, describing how he first moved to London after leaving school and worked in a series of dead-end jobs before being recruited to a securities finance company in the City. Seduced by the prospect of new suits and six-figure bonuses, he is soon assisting Andy, a trader, in borrowing and making millions of pounds a day. But when the economy takes a downturn and Andy s risk-taking starts to incur huge losses, the pressure begins to take its toll. Disturbing revelations and unnerving sound effects combine to create a sense of impending personal breakdown in Nicholas Pierpan s powerful monologue.
