Brand New Book ***** Print on Demand *****.From the PREFACE: NO book of classical antiquity makes quite such a strong appeal to Englishmen as the Georgics. For the average educated Englishman has in him something of the sportsman, something of the naturalist, and often at the back of his mind an inkling of the poet; long ago he had also in him a good deal of the farmer, and it looks as though this might be so again in the next generation. The Georgics, if he has the luck to come across them, are pretty sure to attract him in one way or another. I well remember, in the days of my college tutorship, having to push a sporting youth through the thorny hedge of Responsions - one who was totally incapable of understanding the rhetoric of Livy, with whom we first tried him; then in despair I put him on the Georgics, and adroitly began with the third. When he came to Virgil s description of the horse s points, his face and his mind at once brightened; to use his own language, he found, and thereafter took all his fences without a fall. I think it was not only that he found things in the poem about which he knew a good deal - more, in fact, than I did - but that he unconsciously felt the life of the animals just as Virgil felt them. The mere fact that they have eyes and ears and feet and tails, and do certain things with them, showing the active mind within, is to the sportsman-naturalist a continual delight, and so I think it was to Virgil. Every animal in the Georgics is full...
