Brand New Book ***** Print on Demand *****.Sensuous romance and a mysterious manuscript are the elements of *The Gentleman in the Lake*, a romance novel by new author April Knight. This is a sweet and deliciously passionate story that takes place in White Bear Lake, Minnesota. Richard Seymour is a history professor at the University of Vermont. He is on sabbatical leave to pursue a stolen manuscript that allegedly sheds light on the fate of the princes in the tower. These were the two young nephews of Richard III who went missing and were never found. Vanessa Radcliff is a freelance writer who lives with her German shepherd, Lord Byron; her chihuahua, Victor; and her Siamese cat, Emily. One stormy night Lord Byron finds a man washed up on Vanessa's beach. Vanessa rescues him and sparks begin flying. What do Vanessa and Richard have in common besides strong chemistry that just won't quit? They find out there's more to love than lust and that they have more going for them than passion. There's magic in the air!].
