CINEBOOK: The 9th Art Publisher, Canterbury, 2008. Paperback. Book Condition: New. 1st English Edition. 96pp Suitable for: 12+ years. [In stock in Australia now, for immediate delivery]- The tale takes place in the seventh century and draws its narrative power from the imaginary world of magic spells and legends, where men and gods still mix. More than a simple adventure story, this series is a true apology for freedom and the fight against the arbitrary, because what stands out most in Thorgal's personality is his deep sense of humanity . In this new adventure . Jolan has become a robust kid who is interested in everything. The strange signs he draws without knowing their meaning thoroughly intrigue his parents. During one escapade, he makes friends with a boy his own age. The child seems to be lost and terrified of adults. As well as being deaf and mute, he cannot answer questions raised by his mysterious presence. Surprised by a storm, Thorgal has been taken in by an old couple. Without boat or money, he can't return to his village. Perhaps an archery competition will allow him to buy a new boat. Of all the competitors, the beautiful Kriss de Valnor is without any doubt the most formidable . This two-volume book includes 'Alinoe'. Key Points: *More than 13 million Thorgal volumes sold worldwide in over 16 languages *Suitable for teens and adults *Thorgal is a good role model: He fights for freedom and against injustice.
