Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.She was seventeen summers old, with straight blue-black hair that hung to her waist, and eyes that were pools of blackness, and had known sadness beyond her years. In the backroom of the trading post, on the morning of their departure, Shining Eyes held the baby, Virginia, close and stared unseeing at the maze of smudged charcoal maps on the plank floor. She was alone and the room was silent except for the burping of the blue speckled coffee pot on the back of the cookstove. This would be the third time she had said goodbye to the baby, but this time was different. The Oregon Territory was a long way into the sunset and she doubted that she would ever return to the trading post or to her people. So begins the continuation of the story begun in Muriel Linder s first book, The White Man s Brother. Follow Shining Eyes and her husband Fire Top as they begin their quest for a new life as Rebecca and Bob Tanner in the Oregon Territory.
