Step One: Identify Yourself. Identify your faults, your challenges, recognize your inner-darkness. Step Two: Perceive your life with how you want to be identified to others! Step Three: Turning the lights on! Do you love yourself? To the extent of being capable of loving others? Are you willing to love someone else you may not even know? Or even never, ever considered meeting before? How would you handle negativity when you are trying to release yourself from the gripping strengths from the darkness? You are holding a glass of water. The glass is dry, you get up to fast, and spill the water on the table; and some of it splashes onto your skin. The wetness is the same feeling for everyone. The only difference isn t the texture, it is the temperature of the water. If we feel cold, the water feels cold. And the same is with our emotions. Okay, you get the gist of this book, it s meant to help you see a new realization on how to free yourself from the darkness.so what are you waiting for?.
