Roc, United States, 2014. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. Jensen Murphy is back in the spooky sequel to *Only the Good Die Young*. Some people think that ghosts are spirits that refuse to go to the other side because they have unfinished business. Take my word--that s true. I should know. I m a ghost. I was an ordinary eighties California girl, dead before my time, until psychic Amanda Lee Minter pulled me out of the time loop where I was reliving my death over and over. Now I m Jensen Murphy, Ghost for Hire. I decided to put my spooky talents to use in helping Amanda Lee track down bad guys and killers (including my own). It s taken time to figure out exactly how that will work (our first case was definitely a learning experience for all involved), so when a young woman asks Amanda Lee for help convincing her best friend to leave a dangerously hot-tempered boyfriend, I m ready and willing to use our collective powers on her behalf. But some people are dangerous not only to the living--especially when there are darker forces involved.
