Princeton University Press, United States, 1991. Paperback. Condition: New. Language: English . Brand New Book. A dream in which a man has sex with his mother may promise him political or commercial success--according to dream interpreters of late antiquity, who, unlike modern Western analysts, would not necessarily have drawn conclusions from the dream about the dreamer's sexual psychology. Evidence of such shifts in perspective is leading scholars to reconsider in a variety of creative ways the history of sexuality....
