This book is both my story and my song. It is the story of my babies who died before they were born; it is my song of healing and hope in grief, given as a gift to others. It is not a diary or an autobiography of my experience; rather it is a collection of poems and prose which I have written over the years in memory of my four baby boys and in the journey of grief which I have travelled. They were written as a form of healing and they are given now in the hope that they might help the healing of those who read them. I am a mum of angels; We are many in number; We are never alone. Emma.
