Brand New Book ***** Print on Demand *****.Excerpt from The Salt Company of Onondaga: Incorporated 1860 Was establishd in March 1860, for the purpose of uniting the interests of the different manufacturers of Onondaga Salt, in order to secure a more thorough and systematic management of their business - to cheapen the cost of manufacturing, and to lessen the expenses of distributing the article to all points where it finds a market, thereby enabling the manufacturers to supply more distant sections of the country than they had before been able to do, and also to improve and give uniformity to the character of Onondaga Salt. By this union of interests under one management, the company is enabled to place and control the manufacture, through all its processes, under the direction of the highest scientific talent and skill - aided by competent and careful overseers - thereby ensuring not only improvement in quality, but perfect uniformity in the manufacture. It is thus able to supply every variety of this most necessary article of civilized life,...
