UNDER HIS WINGS STUDY GUIDE: BIBLE STUDY GUIDE

Createspace, United States, 2013. Paperback. Book Condition: New. Study Guide. 224 x 146 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bible is much more than a textbook on good principles to live by. It contains the words of life and healing that can mend and restore a broken heart. It is God s message of hope and love for His children. It is God s message of reconciliation for alienated relationships. It is God s message of freedom from the curse of the law. It is God s message of truth which uproots a faulty belief system. It is God s message of wholeness to a fragmented heart. It is God s message of deliverance for those in bondage. This study guide parallels the healing process woven through Karen Louise s book, Under His Wings: A Story of Hope. The study guide is designed to give individuals and groups a biblical foundation for elements often used in inner-healing ministry. It serves as an excellent springboard for actively seeking God as the Healer of life s emotional hurts and brokenness.
