General Accounting Office, 2001 OCLC Number: (OCoLC)54545735 Subject: Aeronautics and state -- United States. Excerpt: . . . Contractual Status of Programs System, and NASA Environmental Tracking System as specific data bases that will be used to verify and validate performance data. The plan describes specific processes in place to support performance claims associated with NASAs Integrated Financial Management System, performance-based contracts, contracts awarded to small and small disadvantaged businesses, and information technology. And it describes a broad array of methods to verify and validate reported performance data such as monthly reports from NASA field centers, Web statistics, count of publications, and NASAs Education Computer Aided Tracking System. Despite improvements in addressing data verification and validation methods, NASA still does not acknowledge data limitations that could hinder performance measurement. We continue to believe that NASA can further enhance the credibility of its verification and validation procedures and the usefulness of its performance data by disclosing the expected limitations of its performance data in its annual performance plans. A March 2001 NASA Office of Inspector General report identified limitations...
