Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Church Plate of the County of Dorset: With Extracts From the Returns of Church Goods by the Dorset Commissioners of Edward Vi, 1552 Nos. 10, 11, 12 and 16, Shaftesbury, Stalbridge, Sherborne, and Cerne, by the Rev. C. H. Mayo, of Long Burton, who personally made the original returns for the parishes in the Stalbridge and Cerne Portions. Nos. 13, 14, 15 and 17, Sturminster Newton, Bere Regis, Poole, and Milton, by the Rev. N. W. Gresley - but as Mr. Gresley left the Diocese some time since, a second revision was kindly undertaken by Mr. Montague Guest. These returns now represent every parish in the county, amounting to about three hundred, and are conterminous with the Archdeaconry of Dorset; to these were added sheets containing such sketches, drawings, and rubbings of the different pieces, as were forthcoming; - and so the Bishop s requirements were complied with. And here it may be mentioned, for the guidance of any future explorers in the same field, that too much must not be expected from general returns of Church Plate where the object is archaeological. When possible, the shortest and most satisfactory way is to visit each parish, Cripps in hand, and note the details on the spot. The matter printed in the present volume does not contain the whole of the minor details of the returns, such as the full measurement of every piece, the weights, and other small particulars, but all available information has been given in full of the earlier examples down to the end of the last century, and a shorter notice of all existing pieces that have been added since that...
