Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Unleash Your Writer aims to give you the tools to assess if you really want to write, target those areas of your life that need to change if you are to write and finally get you on that path to writing. It is not a book that tells how to get published, how to structure a story or the basics of grammar. In fact you may find some grammar mistakes here despite my best efforts to remove them. It is a workbook that makes you assess your devotion to writing either as a living or a hobby while giving you the tools to do so. It also helps you assess your writing blocks such as lack of time or the fear of people reading your work and helps you work through them so these things no longer hold you back.
